

MICHIGAN TRANSFER AGREEMENT (MTA)

What is the Michigan Transfer Agreement (MTA)?

The Michigan Transfer Agreement (MTA) is a statewide agreement that provides transferability of 30 college credits to meet many, if not all, of the General Education requirements at participating Michigan four-year colleges and universities. Visit the Michigan Transfer Network website (<http://www.mitransfer.org/michigan-transfer-agreement/>) for more information on how MTA credits are accepted at participating 4-year colleges and universities.

How to fulfill the Michigan Transfer Agreement?

- Student must successfully complete at least 30 credits with a grade of a 2.0 (or C) or higher in each course according to the distribution shown below.
- Students must complete at least one credit at WCC for us to award MTA.
- Michigan Transfer Agreement (MTA) general education courses are included in WCC's Associate in Arts (AA) and Associate in Science (AS) programs. If you are enrolled in an AA or AS program, you are working toward completing MTA.
- If you have completed the MTA general education requirements and want MTA transfer credentials awarded and posted to your transcript, please complete the MTA request form (<https://www.wccnet.edu/webfiles/studentconnection/web/request-for-michigan-transfer-agreement.pdf>) and wait for confirmation of processing prior to submitting a transcript request. (<https://www.wccnet.edu/learn/request-transcript.php>)

See how WCC's MTA courses transfer. (https://www.wccnet.edu/learn/transfer/_documents/university-transfer-center-mta.pdf)

Which Courses Can Be Used?

- Credits earned through enrollment at WCC
- Credits earned at other in-state and out-of-state accredited institutions
- Dual enrollment and early/middle college credit that is accepted by WCC
- Advanced Placement (AP) credit
 - However, the receiving institution will determine transferability of the course consistent with its AP credit policy
- Additional areas of prior learning are **not applicable** to the MTA such as International Baccalaureate (IB), College-Level Examination Program (CLEP), DANTES Subject Standardized Test (DSST) or credit awarded through American Council on Education (ACE).
