TECHNICAL COMMUNICATION (AA)

Catalog Effective Term: Fall 2024

Program Code: AATCD Credential: Associate in Arts Program is also available online

High Demand Occupation, High Skill Occupation, High Wage Occupation

In this program, students explore the technical communication process in detail and develop skills in audience analysis, project management, technical writing and editing, document design and usability testing. Using tools of the technical communication profession, students will:

- · Prepare content for print and online delivery
- · Develop screencast training modules
- · Learn how to conduct a formal job search
- · Create professional portfolios to showcase their skills

The Technical Communication Associate in Arts degree is designed for students transferring to a four-year university and seeking a Bachelor of Arts degree. The General Education requirements fulfill both Washtenaw Community College's requirements and the MTA Transfer requirements.

Program Admission Requirements

Basic computer literacy.

Minimum Credits Required for the Program: 60
