

AUDIO PRODUCTION AND ENGINEERING (CERTIFICATE)

Catalog Effective Term: Fall 2024

Program Code: CTMPEA

Credential: Certificate

High Demand Occupation, High Skill Occupation, High Wage Occupation

This program is designed for students who wish to develop skills in audio production and engineering that can be applied to multiple industries from music to the digital media arts. Students will assess their personal skills and interests against emerging trends in the industry and be given instruction and the opportunity to receive nationally recognized Avid Pro Tools certification. In addition, students will enhance their engineering skills in multiple recording and live sound settings from solo or group recording to live event reinforcement. Students will also advance their understanding of keyboard theory, music composition for software and develop a professional portfolio and resume by collaborating and networking with clients and professionals in their industry.

Minimum Credits Required for the Program: 21
