

CONSTRUCTION TECHNOLOGY II (ADVANCED CERTIFICATE)

Catalog Effective Term: Fall 2025

Program Code: CVCON2

Credential: Advanced Certificate

High Demand Occupation, High Wage Occupation

This advanced certificate prepares students for specific careers in construction. The program will prepare students to take the State of Michigan Builder's License exam, create contracts for construction projects, and gain necessary techniques for specific contractors. Students preparing for the State of Michigan builder's license exam will also need CMG 130 Construction Site Safety and OSHA Regulations.

Program Admission Requirements

Completion of the Construction Technology I Certificate (<https://coursecatalog.wccnet.edu/programs/construction-technology-i-certificate/>) or two years experience in the construction industry is required for entry into this program.

Minimum Credits Required for the Program: 19
