

CULTURAL RESOURCE MANAGEMENT (CERTIFICATE)

Catalog Effective Term: Fall 2024

Program Code: CTCURM

Credential: Certificate

High Demand Occupation, High Skill Occupation, High Wage Occupation

The Cultural Resource Management (CRM) certificate program enables beginning and intermediate students interested in Anthropology and Archaeology the opportunity to gain the knowledge and hands-on skills necessary to become employed in CRM. Topics include (but are not limited to) archaeological survey, Phase I and Phase II excavation, post-excavation analysis, artifact curation, documentation and analysis of skeletal and dental remains, cultural and archaeological theory, and the use of computer applications relevant to the discipline.
