

PHOTOGRAPHY: DIGITAL IMAGING (CERTIFICATE)

Catalog Effective Term: Fall 2024

Program Code: CTPHOD

Credential: Certificate

High Demand Occupation, High Skill Occupation, High Wage Occupation

In this program, students learn technical and aesthetic workflows encompassing a wide range of techniques to extend creative expression and communicating ideas. Courses are technology-specific and include learning the operations of digital cameras and scanning devices accompanied by photo-editing software. Advanced preparation of high-resolution digital files for print output includes wide-format inkjet printers and data management strategies for external professional print service bureaus.

Minimum Credits Required for the Program: 16
