MANAGEMENT (CERTIFICATE)

Catalog Effective Term: Fall 2024
Program Code: CTMNGC
Credential: Certificate
Program is also available online
High Demand Occupation, High Skill Occupation, High Wage Occupation

This certificate offers students an opportunity to acquire skills to supervise an operation by learning and applying basic management principles through case studies and exercises. Upon completing this program, students will be able to use various tools to manage an operation which includes developing goals, organizing work activities, promoting desired employee performance, and monitoring productivity with a customer focus. Emphasis will be placed on developing skills that will involve both a critical and creative approach to management problem-solving activities. The certificate may also be applied toward various Associate in Applied Science degrees.
