

# SECONDARY EDUCATION TRANSFER (AA)

**Catalog Effective Term:** Fall 2025

**Program Code:** AASECE

**Credential:** Associate in Arts

**Program is also available online**

*High Demand Occupation, High Skill Occupation, High Wage Occupation*

This program prepares students for transfer into a bachelor's degree program in secondary education at a four-year college or university. The program covers the first two years of instruction, including the general education courses used by most secondary education programs in Michigan, which prepare students for the state-mandated basic skills tests. Requirements may vary among colleges. Students should obtain the current curriculum from the college to which they are transferring and talk to an undergraduate advisor early in their studies. Curriculum and admission requirements are available on most colleges' Web sites.

Admission requirements for bachelor's degree teacher education programs may vary among colleges. Most require a minimum grade point average of 2.0 for courses to transfer as well as a minimum of 56 to 60 college credits completed and successful completion of the state-mandated basic skills test before applying for admission to the program.

**Minimum Credits Required for the Program: 60**
